

KCC Junior Golf Program 2020

This year's program will begin on Tuesday, June 2nd and run for 4 consecutive Tuesdays

In today's uncertain times, KCC is excited to offer our youth an outlet where they can learn the fundamentals about the game of golf in a safe and enjoyable environment. This will be a different looking program than what we have offered in the past due to Covid-19, with the additional steps taking place to ensure everyone's safety based off recommendations from the PGA:

- The program will only be offered to the children / grandchildren / family members of KCC members.
- All parents will be required to sign a safety / Covid-19 waiver prior to their child participating.
- No sharing of any equipment other than by family members will be allowed.
- To help maintain social distancing, children should not use the putting green or driving range unsupervised before or after their session.
- Kids will be placed into groups of 6-7 per instructor. We ask that you please do not drop them off early. When they arrive they will immediately be sent with their teacher to a separate area of the golf course for their instruction.
- If city / state laws allow, a family golf night will be planned later in the summer to allow our players the opportunity to show off everything they have learned.

The cost per child is \$60

13 to 15 year olds will be from 8:00 am - 8:45 am

10 to 12 year olds will be from 9:00 am - 9:45 am

7 to 9 year olds will be from 10:00 am - 10:45 am

Additionally, if you are concerned about your child participating but would like them to still receive instruction, our jr. golf assistants are available to hire for personal lessons!!

Please contact Clint in the Golf Shop at 665-5335 to register or with any questions.

All participants need to be registered & have their waiver signed by Sunday, May 31
